Re: Entity Status Update
US Patent No. 6.942.796 issued on September 13th, 2005

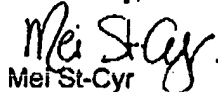

Dear Sirs:

Pursuant to our recent phone conversation of this day regarding the above-referenced U.S. Patent, please find here enclosed the initial letter that was sent to the USPTO on February 4th, 2005. In this correspondence, it was requested to change the Entity Status from Small to Large. However, as we are about to pay the maintenance fee, we have noticed that the update was not complete on the USPTO web site.

Please find here enclosed a copy of the initial letter sent on February 4th, 2005. Kindly proceed with the update of your registries, in order to reflect the change, since the corporate body is actually a Large Entity.

Should you require further information, please do not hesitate to contact the undersigned at the following number: (514) 987-8880 or via e-mail at st-cyr@robic.com.

Yours truly,

Mei St-Cyr**Take a moment to visit our web site:**

1. **Calculation of Deficiency Owed.** The amount which should have been due (for other than a small entity) for filing the application was \$764.00. The amount of the previous erroneous (small entity) fee payment on March 23, 2001 was \$382.00. The amount which is now due for the issue and publication fee is \$1,700.00. The amount of our issue fee payment on November 15, 2004 was \$685.00. The fee paid for filing the application was \$382.00 (\$355.00 filing fee and \$27 for three additional claims). The amount for filing now is \$1,000 basic filing fee and \$150 for three additional claims. On October 21, 2002 a petition with one month time extension was filed and \$110.00 was paid. The cost for a petition is now \$120.00. On April 10, 2003 a Request for Continued Examination was filed and the small entity fee of \$375.00 was paid. The fee for a RCE is now \$790.00 for a large entity.

The total deficiency owed is therefore \$2,208.00.

2. **Itemization of Deficiency Payment.** Following is an itemization of the deficiency payment, showing the amount which should have been due (for other than a small entity), the amount of the previous (small entity) fee payments, and the deficiency owed for each fee erroneously paid:

<u>Description Of Fee</u>	<u>Fee Due</u>	<u>Fee Paid</u>	<u>Deficiency</u>
Basic filing fee	\$1000.00	\$355.00	\$ 645.00
